Grace Bay Club in Providenciales, Turks and Caicos, has launched a new pop-up culinary concept where the entire menu is served in jars of various shapes and sizes.

Jars on Grace Bay is an open-air restaurant on Grace Bay Beach featuring a 30-foot (9-meter) communal table, a bar under a palm tree thatch hut and a lounge area complete with oversized sofas.

Menu highlights include chilled yellow and red tomato gazpacho with a manchego scone; spiny lobster ramen with ginger pasta and snow peas in

sesame broth and coconut panna cotta.

Handcrafted cocktails include the Minty Cherry Fizz with cherry beer and crushed mint and the Torrontes Mojito, a blend of rum, lime and mint and topped with Torrontes wine.
