Win a Turks & Caicos Getaway

Summer is just around the corner which means it is time to work on a base tan. Is there a better way to do that than relaxing on the beach with a cabana nearby? Probably not. For one lucky reader, that trip to the beach will be a lot easier because we have a **getaway to Turks & Caicos** on our hands we are itching to give away.

Racked, along with our friends at [PureWow](#) and [Fathom](#), are sending one winner and a friend on a **three-night getaway to Grace Bay Club**, the elegant retreat on eleven pristine acres of beach in Turks and Caicos. And that's not all: **Flight 001 is throwing in a \$500 gift certificate** to spend on new travel gear for the journey.
