## DESIGN SEEN

### PARIS Christofle

Designer Jean-Marie Massaud has poured his talents into the 20-piece Silver Time collection—the first brunch service from the centuries-old manufacturer of silver flatware and other decorative accessories for the home. The Silver Time tea fountain (shown, \$2,950), which measures 9.8 inches in diameter and 11.5 inches tall, incorporates silver plate, steel, and borosilicate glass and can hold hot or cold beverages. The handle on the tea fountain's spigot bears the brand's logo of a balance scale. 310.858.8058, [www.christofle.com](http://www.christofle.com)

### ATLANTA ST. CECILIA

The New York-based firm Meyer Davis Studio has brought a distinctive vintage-urban aesthetic to the South with its design for St. Cecilia, a new restaurant in Buckhead led by owner and chef Ford Fry and executive chef Brian Horn. The 11,000-square-foot venue features distressed mirrors, reclaimed-wood floors, Romanesque tiled columns, and stone chef's tables. 404.554.9995, [stceciliaatl.com](http://stceciliaatl.com)

### NEW CANAAN, CONN. The Glass House

Known for her fog sculptures, the Japanese artist Fujiko Nakaya will shroud a landmark of modern architecture in her favored medium when she presents *Veil* at the Philip Johnson-built Glass House. The structure, a National Trust Historic Site, celebrates its 65th anniversary this year, and from May 1 to November 30, for 10 to 15 minutes every hour, it will be enveloped in a cloud. Tickets start at \$30. 203.594.9884, [www.theglasshouse.org](http://www.theglasshouse.org)

### RONCOFERRARO, ITALY AGAPE

The sleek, sculptural Spoon tub by the designer Giampaolo Benedini was a sensation when Agape unveiled it in 1998, and the company has wowed with its bath creations ever since. (In 2010, Agape received *Robb Report's* Best of the Best honor for its Memory line.) Now the Italian manufacturer is captivating the design faithful with DR (shown), which debuted earlier this year at the IMM Cologne furniture fair. Its curved shape is the work of Brazil's Marcio Kogan and Mariana Ruzante, who envisioned DR as a tub for two. +39.0376.250311, [www.agapedesign.it](http://www.agapedesign.it)

### PROVIDENCIALES, TURKS AND CAICOS

### Grace Bay Club

Thom Filicia has provided a glimpse of his comprehensive redesign for the Grace Bay Club with the completion of the 20-year-old resort's lobby. The refreshed space presents shades of coral and sand that complement the Caribbean views, while lush potted palms, capiz-shell chandeliers, and wood furniture harmonize similarly with their island surroundings. The renovations are expected to continue into 2015. 800.946.5757, [www.gracebayresorts.com](http://www.gracebayresorts.com)
