the knot HONEYMOON

10 INSTAGRAM- WORTHY BEACH HONEYMOONS

Beach vacays are relaxing and sexy—qualities that make for an awesome postwedding trip. Check out these sunny, sandy spots we absolutely love in Mexico, the Caribbean and Florida. BY AMY LEVIN-EPSTEIN

10

GRACE BAY PROVIDENCIALES, TURKS AND CAICOS

You know those crazy-beautiful beaches from your laptop's background options, where the sky and water both blend into one unbelievably serene blue? The ones you didn't believe existed? Well, prepare to become a believer. Grace Bay is 12 miles of that picture-perfect image. The island of Providenciales also has a golf course and a casino (just in case you need a break from the breathtaking beach). Bonus: It's easy to get to—only three hours from New York City (90 minutes from Miami).

WHERE TO STAY The Grace Bay Club is pure luxury all the way. It consists entirely of oceanfront suites, and has canopied beach beds and an infinity pool overlooking the turquoise water. Have a drink at the Infiniti Bar, one of the longest bars in the Caribbean. Stretching out 90 feet, there's plenty of room to grab a mojito or martini and try a dish off the menu of "small and sexy" bites, like chilled watermelon and goat cheese with a balsamic reduction (from \$620, GraceBayResorts.com).
